RFP 1819-02

Digital Photography and Video Equipment

Questions	
<b>Question</b>	<b>Will you accept a partial quote?</b>
<b>Response</b>	<b>While the ELCOC appreciates all quotes and bids proposed, at this time the ELCOC is looking to equip 1,000 classrooms with applicable equipment that will assist providers with accomplishing the goals outlined within the Teaching Strategies Gold curriculum. Any quote including fewer than 1,000 devices would fall short of accomplishing the directives of this RFP and the program.</b>
<b>Question</b>	<b>Is the ELCOC looking for a specific brand?</b>
<b>Response</b>	<b>No. Per both federal and state procurement regulations, the ELCOC cannot discriminate between brand offerings in quotes.</b>
<b>Question</b>	<b>Will cellular phones/tablet devices be acceptable?</b>
<b>Response</b>	<b>Yes, as mentioned in the RFP requirements.</b>
