An Open Letter to Our Supporters

Our 10th annual First Five Years Celebration showcases the Coalition's services and programs that provide every child with equal access to high quality early learning opportunities. This year we are excited to announce a new venue, vibrant theme, impactful program, live musical performances, and a compelling silent action making this an event you won't want to miss.

We invite you to join us on **Saturday, June 6, 2020** at Disney's Coronado Springs Resort as an event sponsor.

Every child under the age of five in Orange County deserves equal access to quality early education and the opportunity to thrive. For many children, that chance comes at a heavy cost. There are many hard working low income families that are struggling financially and simply can't afford quality care for their children.

But with your help this can change... thousands of young children under the age of five can have access to equal educational opportunities. Because the first 2,000 days matter the most.

Every \$1 raised has the potential for match, **doubling the impact** of your gift to Orange County children. Your support will go a long way in helping us reach this year's ambitious goal to serve more children.

Attached you will find a copy of the 2020 Event Sponsorship Levels, Sponsorship Commitment Form, and Silent Auction Form.

Tamra Boone, Development and Donor Relations Coordinator, will be reaching out over the next 2 weeks to discuss your continued support for our work. Please allow her a moment of your time.

In the interim, if I can answer any questions you have regarding your participation in the 2020 First Five Years Celebration, please contact me at (407) 230-4480.

Thank you for your consideration,

Karen Willis, CWDP
Chief Executive Officer
