

First, we want to thank those providers who were able to get in and join the webinars. The questions were great, and we hope that we gave a better insight and understanding of the current guidance we currently have.

Our goal is to host these webinars weekly but only if we've received updated guidance from the Office of Early Learning (OEL). We will also continue to send emails regarding updated guidance but we feel that the webinars are an additional way of providing information and support to all providers.

We recommend that you view each webinar because they can answer most of your questions and concerns. After reviewing the webinars, if you have questions, please email your questions to qualityprograms@elcoc.org. Someone will respond within 24 hours. Any questions we can't answer, we will send to OEL for guidance.

Ok, happy viewing!!!
