VPK Curriculum

Grant Application is to receive up to \$1000.00 in VPK Curriculum funding. The VPK Curriculum grants are to support any residual impact COVID-19 had to your business's ability to offer and support the VPK program in its entirety. That includes costs associated with:

- a) Providing VPK curricular service to enrolled students, or
- b) Costs associated curricular materials, manipulatives, technology, training, or subscriptions, etc.

To receive funding you must hold a current VPK contract with the Early Learning Coalition of Orange County.

To receive funding the early care and education site must:

- Hold a current VPK contract with the Early Learning Coalition of Orange County
- Have no pending/open Provider Improvement Plans
- Have no pending/open Department of Children and Families (DCF) violations
- Currently providing early learning services (open for business) in Orange County boundaries.

SR Updated Curriculum

Grant Application is to receive up to \$1000.00 in SR Curriculum funding. The SR Curriculum grants are to support any residual impact COVID-19 had to your business's ability to offer and support the School Readiness program in its entirety. That includes costs associated with:

- a) Providing SR curricular service to enrolled students, or
- b) Costs associated curricular materials, manipulatives, training, technology, or subscriptions, etc.

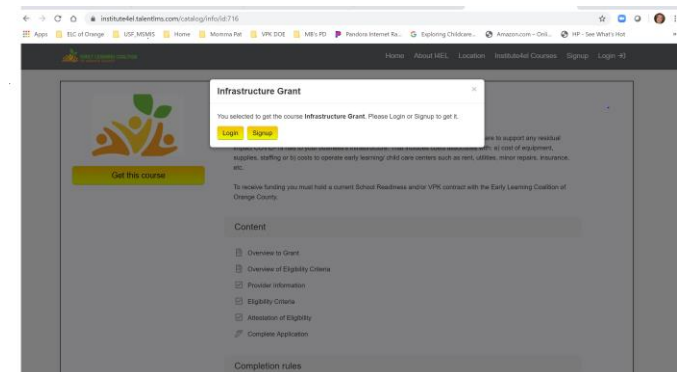

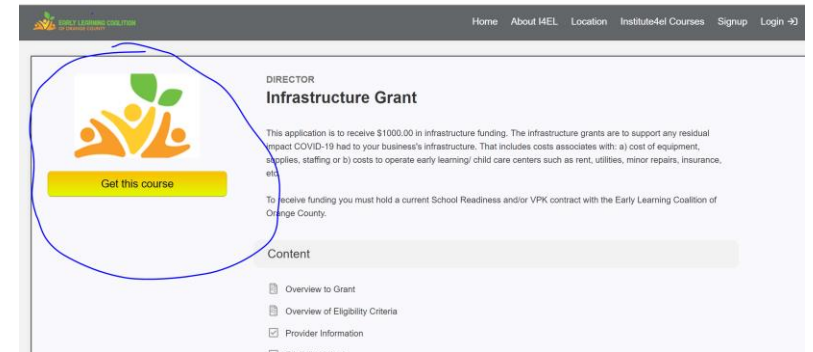

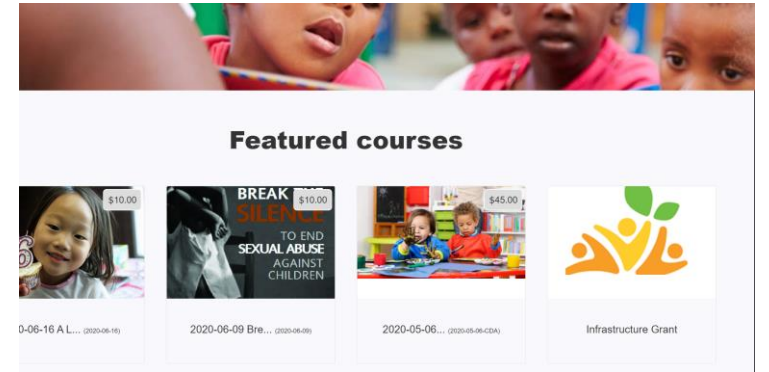

To receive funding you must hold a current School Readiness contract with the Early Learning Coalition of Orange County.

To receive funding the early care and education site must:

- Hold a current School Readiness and contract with the Early Learning Coalition of Orange County
- Have no pending/open Provider Improvement Plans
- Have no pending/open Department of Children and Families (DCF) violations
- Currently providing early learning services (open for business) in Orange County boundaries.
