

Early Learning Coalition of Orange County 2016-2017 Annual Report

MISSION STATEMENT

The mission of the Early Learning Coalition of Orange County is to provide unified leadership, support and guidance to ensure that the children of our community have the opportunity to reap the benefits of developmentally appropriate, research-based school readiness and VPK programs, respecting the role of the parents as their child's first teacher.

EVALUATION OF DIRECT ENHANCEMENT SERVICES

Comprehensive Consumer Education:

Describe how the Coalition coordinated resource and referral programs specifically related to the provision of comprehensive consumer education to parents and the public regarding participation in the school readiness program and parental choice?

Early Learning Coalition of Orange County coordinated resource and referral programs and engaged parents throughout the 2016-2017 fiscal year to provide comprehensive consumer education to parents and the public regarding parent choice and School Readiness (SR) in the following ways:

Child Care Resource & Referral (CCRR) — ELC Orange contracted the Community Coordinated Care for Children (4C) to provide child care referrals to parents to make them aware of their options for high quality early education sites. Nearly half of the referral requests fielded involved calls for financial assistance. During the 16-17 fiscal year, there were 19,954 referral requests, 8,445 parents assisted, 9,683 calls for financial assistance, and 255 calls for additional resource information.

Outreach and Awareness— ELC Orange Community Relations and 4C participated in more than 34 Outreach and Awareness events in order to reach Orange County's diverse population of parents. During these events information about SR assistance and the importance of early education environments were given directly to parents of young children. ELC continued the emphasis of quality early education programs with the awareness of the Quality Stars (QRIS) program through various channels and strategic community partnerships.

Provider Financial Supports:

Provide a list of grants, awards, or bonuses offered to school readiness program providers to assist them in meeting applicable state requirements for child care performance standards, implementing developmentally appropriate curricula and related classroom resources that support curricula, providing literacy supports, and providing professional development.

Include the qualifying criteria to receive financial supports and related monitoring activities to verify appropriate use of support.

ELC Orange County has given providers, their directors and teachers the following supports in order to meet state requirements for child care performance standards, implementing developmentally appropriate curricula and related classroom resources that support curricula, providing literacy supports, and providing professional development with the following programs:

Performance Funding Project (PFP)-\$439,618.30 was distributed to 22 providers for their participation and successful benchmark completion of the PFP.

Criteria for PFPP Eligibility: Providers in Orange County were eligible for funding based on the criteria outlined to coalitions by the Florida State Office of Early Learning (OEL); which is as follows: A minimum of thirty percent (30%) of the providers' birth-5 enrollment was made up of School Readiness students; No Class I or more than two (2) Class II licensing violations within the last two (2) years; All of the centers' infant to prekindergarten classrooms agreed to participate; Agreed to have the evaluator conduct assessments; Agreed to all benchmarks and submitting information to OEL; Agreed to have the director participate in all training; Agreed to pay for instructor's access to selected CLASS trainings or child subscriptions to an online assessment system.

Florida Association for the Education of Young Children (FLAEYC) - \$800 distributed in scholarships for directors and providers to attend the national conference.

There were 98 providers that obtained Continuing Education Units (CEUS) for maintaining their credentials. Criteria for FLAEYC: Providers in good standing with ELC Orange applied for participation and submitted documentation after their conference attendance. Providers attended designated workshops and completed CEU Evaluation paperwork.

Infant/Toddler Child Development Associates (ITCDA) program provided financial incentives for educators who took the training and received their Infant/Toddler CDA credentials. The ITCDA program provided financial support in two ways:

Center: Financial incentives were provided to 21 early childhood programs to assist in off-setting costs of releasing teachers to attend CDA training. The amount was based on teacher attendance in class.

Teacher: Financial incentives were provided to 14 teachers upon their being awarded the Infant/Toddler Child Development Associate (CDA) Credential.

Criteria for ITCDA: Providers with eligible infant/toddler teachers applied; priority was to ELCOC providers operating in "at risk" zip codes.

Early Learning Florida- \$4275 from Early Learning Florida was awarded to early educators who mastered the training and assessments.

Training and Technical Assistance:

Provide a list and description of the trainings and/or technical assistance activities the coalition offered to school readiness program providers, staff, and parents in the following areas:

- Early Learning Standards
- Child Screenings and Assessments
- Developmentally Appropriate Curricula and Character Development
- Teacher-Child Interactions
- Age-Appropriate Discipline Practices
- Health and Safety
- Nutrition
- First Aid
- Recognition of Communicable Diseases
- Child Abuse Detection and Prevention

The following is a listing and description of the training and technical assistance activities Early Learning Coalition of Orange County offered to School Readiness Program providers, staff and parents:

33 Professional Development trainings were offered in FY2016-2017 assisting 579 early childhood teachers with their professional development. FLAIEYC Annual Conference scholarships were awarded to 12 early childhood professionals, while an additional 21 family child care providers received a scholarship to attend the Florida Family Child Care Home Association Annual Conference. ELCOC funding helped support the Seminole State Spring Conference; of which 144 Orange County providers attended.

The Early Literacy Enhancement program provided training and technical assistance to 71 VPK and preschool teachers in 61 early childhood programs. 26 new teachers participated in a two-day training on the research-based Nemours BrightStart! Early literacy curriculum. All participating teachers received ongoing technical assistance throughout the year on implementation of the BrightStart! curriculum.

The Infant/Toddler CDA program provided training and technical assistance from July 2016 – October 2016. It was provided to teachers focused specifically on children birth to three years old in the areas of social/emotional development, working with families, observing and recording children, program management, and professionalism.

During the 2016-2017 fiscal year, a total of 20 credentialed teachers and directors participated in the Infant/Toddler CDA Second Setting program. This training is designed to support the Early Head Start community child care expansion, in collaboration with 4C.

The PKZ Baby Institute is a nine week program for parents of children birth to 5 years old residing in the Parramore Heritage Community. Baby Institute is designed to help parents build knowledge and skills that lead to better school readiness outcomes. During FY2016-2017, Baby Institute completed three cycles of parent education classes with 46 parents of whom 33 graduated, with 80 children. An additional 12 parent graduates from previous years remained engaged with Baby Institute through the provision of 12 Baby Institute Alumni events and activities.

In collaboration with the City of Orlando's Orlando Cares Preschool Ambassadors program, the ELCOC was able to offer a Family Early Literacy program, funded through the Mayor's Matching Grant. Offered at participating child care programs, this three session series provided information and literacy materials such as books and toys to help support families in their role as their child's first teacher. This program served 98 families with 117 children, 56% of whom were Hispanic. 67% of families showed an increase of knowledge from the Pre-Test to Post-Test while 60% of families showed an increase of reading time reading to their children and engagement with language and literacy materials.

During the 2016 – 2017 FY we launch our Books and Badges program, a shared reading experience to promote a love of reading and build positive relationships between our youngest citizens and first responders in Orange County. A uniformed officer or firefighter visits and reads to the same early childhood program once a month. We had 42 first responders participate and collectively donated 409 hours of their time.

Quality Activities for Infant & Toddler Care:

Provide a description of the quality activities and services the coalition provided to enhance infant and toddler care.

The Infant/Toddler CDA program had 40 infant/toddler teachers who participated in the Infant/Toddler CDA training program. They cared for a total of 342 children in 28 Orange County centers. Of the 2016 cohort, 14 teachers received their National Infant/Toddler CDA Credential (an additional 20 are anticipated to complete in FY2017-2018). Classroom materials and teacher resource books were provided to 40 teachers to reinforce concepts they were learning through the training program.

Monitoring:

Describe the process for monitoring of compliance with, and enforcement of, applicable state and local requirements

VPK and School Readiness programs are monitored in accordance to Florida law and the VPK and School Readiness agreements. Non-compliance issues are addressed according to the non-compliance policies for VPK and School Readiness programs. Licensing issues are referred to the Department of Children and Families.

The Coalition’s Provider Relations Team (Internal Staff) provides training to provider owners and directors, providing compliance guidelines and reviewing provider contracts while the Provider Services Specialists visit facilities to make sure that state regulations are being followed.

The following are monitoring statistics from ELC Orange’s Quality team for the fiscal year 2016-2017:

- 304 SR Quality Indicator assessments were done
- 87 visits were made to register and license exempt providers by the Orange County Health Department
- School Readiness and VPK programs are monitored according to Florida law and the VPK and School Readiness agreements. ELC non-compliance issues are addressed according to the Non-Compliance Policies for SR and VPK. Licensing issues are referred to the DCF.
- 181 VPK programs were monitored
- 253 GOLD assessments were completed with 3,793 children assessed
- CLASS (done by contracted assessors for programs not in PFP)
 - o 42 PreK assessments
 - o 48 Toddler assessments
 - o 29 Infant assessments
- 168 CLASS assessments were done as part of the Performance Funding Pilot

Inclusion:

Describe the activities the coalition has implemented to promote inclusive child care including responding to Warm-Line requests by providers and parents and providing developmental and health screenings to school readiness program children.

The ELCOC Inclusion Specialists provided direct technical assistance to 576 provider and parents. The activities the coalition has implemented to promote inclusive childcare are follow up visits and technical assistance to providers concerning behavior, developmental, speech/language, hearing/vision, medical, physical/occupational therapy, sensory processing and other concerns for the children in their care. Strategies and resource materials were shared to facilitate the needs of the children being referred, as well as the classroom. There were 365 behavior, 311 developmental and 554 speech/language, 182 hearing, 68 vision related referrals that received follow-up; 210 recommendations were made to community agencies for evaluation or follow-up therapies.

1,073 referrals, for children who presented a developmental concern, were issued to our Inclusion Services department from 4C. 489 (45.6%) referral confirmations were returned from parents. Additionally, 103 parents received assistance completing intake forms for evaluation and/or therapy by Early Intervention specialists who are able to make direct referrals to additional resources.

The 4C Early Intervention team managed the Ages & Stages Questionnaire (ASQ3) developmental screening, Individual Learning Plan process and Hearing/Vision screenings for children whose families received school readiness services on our behalf. 5,922 children were eligible for screening, 4,079 (68.9%) received hearing and vision screenings, 2,027 passed (49.7 %).

From those children who did not pass the screening, 1,553 (38%) received hearing resources, 239 (5.9%) received vision resources and 260 (6.4%) received both hearing and screening resources.
