EVALUATION OF DIRECT ENHANCEMENT SERVICES

Evaluation of Direct Enhancement Services

COMPREHENSIVE CONSUMER EDUCATION

Describe how the Coalition coordinated resource and referral programs specifically related to the provision of comprehensive consumer education to parents and the public regarding participation in the school readiness program and parental choice.

Early Learning Coalition of Orange County coordinated resource and referral programs and engaged parents throughout the 2018-2019 fiscal year to provide comprehensive consumer education to parents and the public regarding parent choice and School Readiness (SR) in the following ways:

Child Care Resource & Referral (CCRR) — ELC Orange contracted with Community Coordinated Care for Children (4C) to provide child care referrals to parents to make them aware of their options for high quality early education sites. Nearly half of the referral requests fielded involved calls for financial assistance.

Outreach and Awareness — ELC Orange Community Engagement Unit and 4C participated in over fifty (50) Outreach and Awareness events in order to reach Orange County’s diverse population of parents and community partners. During these events, information about SR assistance and the importance of early education environments were given directly to parents of young children as well as community members. ELCOC continued the emphasis of quality early education programs with the awareness of the Performance Funding Project programs through various channels and strategic community partnerships including television, radio, print and digital.

Community and Corporate Volunteer Outreach Programs: ELCOC Community Engagement Unit developed a strategic plan to engage community members in our literacy initiatives. In FY 18/19 just over five hundred and fifty (550) community members and leaders participated in one of the following programs:

- ELCOC Celebrity Reader Program: Engages community influencers to showcase the importance of school readiness and early literacy by reading to a VPK classroom. As ambassadors they raise awareness and connect their network to one of the ELCOC initiatives.
- ELCOC Book Buddy Program: This program matches volunteers with a 4-year-old in a VPK classroom to promote reading, writing, and social skills by becoming pen pals and exchanging letters and books. The adult Book Buddy commits to respond to three letters from their book buddy and purchase 3 books in a school year. (ELCOC coordinates correspondence)
- Preschool Ambassadors: An initiative, through Orlando Cares, Mayor Buddy Dyer’s Cities of Service, which engages families in early literacy activities, increases pre-kindergarten enrollment and supports early literacy development in pre-kindergarten programs. Preschool Ambassadors opportunities including *Ready Readers* who read to children weekly in preschool classrooms helping to provide greater exposure to books in support of kindergarten readiness.
- Five to Thrive Food Drive: ELCOC hosts an annual food drive to replenish infant and toddler foods in Second Harvest food pantries throughout Orange County. Volunteers can purchase items from an ELCOC approved list of age appropriate foods or give a cash donation that goes towards food items to ensure children ages birth-to-five receive the proper nutrition so they can thrive in life.

EVALUATION OF DIRECT ENHANCEMENT SERVICES

ELCOC Literacy Symposium: ELCOC hosted a seminar that brought together elected officials, community leaders, educators, and advocates to hear from literacy experts and discuss opportunities to collaborate and apply the Lectio method to measure the effectiveness of our collective efforts.

Creating a Resilient Community: from Trauma to Healing: ELCOC partnered with the Peace and Justice Institute of Valencia College and the Orange County Health Department to bring together over 300 community members and leaders to discuss the lifelong impact of Adverse Childhood Experiences (ACEs). The event succeeded in joining community members across sectors to together explore how to move towards a Trauma Informed Community that fosters resiliency. Attendees were encouraged to join the ACEs Connection online community to continue connecting with people using trauma-informed/resilience-building practices and stay current with news, research, and events.

PROVIDER FINANCIAL SUPPORTS

Provide a list of grants, awards, or bonuses offered to school readiness program providers to assist them in meeting applicable state requirements for child care performance standards, implementing developmentally appropriate curricula and related classroom resources that support curricula, providing literacy supports, and providing professional development.

Include the qualifying criteria to receive financial supports and related monitoring activities to verify appropriate use of support.

ELC Orange County has given providers, their directors and teachers the following supports in order to meet state requirements for child care performance standards, implementing developmentally appropriate curricula and related classroom resources that support curricula, providing literacy supports, and providing professional development with the following programs:

Performance Funding Project (PFP)- Ninety-five (95) early care and education providers participated in PFP.

PFP Eligibility: Providers in Orange County were eligible for funding based on the criteria outlined to coalitions by the Florida State Office of Early Learning (OEL); which is as follows: A minimum of twenty percent (20%) of the providers' birth-to-five enrollment was made up of School Readiness students; No Class I or more than two (2) Class II licensing violations within the last two (2) years; All of the centers' infant to pre-kindergarten classrooms agreed to participate; Agreed to have the evaluator conduct assessments; Agreed to all benchmarks and submitting information to OEL; Agreed to have the director participate in all training; Agreed to pay for instructor's access to selected CLASS trainings or child subscriptions to an online assessment system.

Florida Association for the Education of Young Children (FLAEYC) - ELC Orange distributed forty-nine (49) scholarships for directors and providers to attend the statewide conference and leadership day. Providers were also awarded additional funds for **Continuing Education Units (CEUS)** to maintain their credentials.

EVALUATION OF DIRECT ENHANCEMENT SERVICES

Criteria for FLAEYC: Providers in good standing with ELC Orange applied for participation and submitted documentation after their conference attendance. Providers attended designated workshops and completed CEU Evaluation paperwork.

UCF EARLY CHILDHOOD SUMMER INSTITUTE- ELC Orange distributed Twenty (20) scholarships for providers to attend the three-day intensive workshops.

Criteria for UCF Summer Institute: Providers in good standing with ELC Orange applied for participation and submitted documentation after their conference attendance. Providers attended designated workshops and completed CEU Evaluation paperwork.

National Family Child Care Home Association - A significant number of family child care providers received a scholarship to attend the National Family Child Care Home Association Annual Conference. Criteria for NFCCHA: Providers in good standing with ELC Orange applied for participation and submitted documentation after their conference attendance. Providers attended designated workshops and completed CEU Evaluation paperwork.

Infant/Toddler Child Development Associates (ITCDA) - The ITCDA program provided financial support in two ways:

Center: Financial incentives were provided to early childhood programs to assist in off-setting costs of releasing teachers to attend CDA training. The amount was based on teacher attendance in classes.

Teacher: Financial incentives were provided to participating teachers upon their being awarded the Infant/Toddler Child Development Associate (CDA) Credential.

ITCDA Eligibility: Providers with eligible infant/toddler teachers applied; priority was to ELC orange providers operating in “at risk” zip codes.

TRAINING AND TECHNICAL ASSISTANCE

Provide a list and description of trainings and/or technical assistance activities the coalition offered to school readiness program providers, staff and parents in each of the following areas.

- Early Learning Standards
 - Early Math for Early Learners: Counting and Operating with Numbers - The training focuses on the counting and number operation standards outlined in the Florida Early Learning and Developmental Standards for Four-Year-Olds (2011) and the importance of using a developmental progression when teaching math throughout the day.
 - Early Math for Early Learners: Making Sense of Sets and Numbers - This instructor-led course is appropriate for directors and teachers of 4 and 5-year-old children. Course participants will gain early math knowledge and practical information about how to structure the classroom environment and plan activities to integrate math concepts and skills throughout the learning day. The course focuses on the mathematical thinking number sense standards outlined in the Florida Early Learning and Developmental Standards for Four-Year-Olds (2011) and the importance of using a developmental progression when teaching math throughout the day.

EVALUATION OF DIRECT ENHANCEMENT SERVICES

- Early Math for Early Learners: Patterns, Measurement & Data and Early Math for Early Learners: Shapes and Spatial Relationships-
 - These trainings focus on the geometry and spatial relationship standards outlined in the Florida Early Learning and Developmental Standards for Four-Year-Olds and the importance of using a developmental progression when teaching math throughout the day.
- DOE- Standards for Four-Years-Olds- The training addresses the history and development of the Standards for four-year-olds through an interactive presentation, video clips, and hands-on activities.
- Child Screenings and Assessments
 - Teaching Strategies Gold - This session will explain how to: 1) Observe and document children's development and learning over time 2) Support, guide, and inform planning and instruction 3) Identify children who might benefit from special help, screening or further evaluation 4) Report and communicate with family members and others 5) Collect child outcome information as one part of a larger accountability system 6) Provide reports to administrators to guide program planning and professional development opportunities
 - Curriculum and Assessment - In this online course providers will take 20 hours/2.0 CEU's of course work to learn about Curriculum and Assessment. In this course providers will be expected to take 14 individual courses to make up the 20 hours of coursework. These classes are online and self-paced. Participants will be expected to complete course work by June 15, 2019. This course is designed to assist providers with the Professional Development Requirement of 20 hours of IACET training.
- Developmentally Appropriate Curricula and Character Development
 - Kaplan Learn Every Day Curriculum training series for Infants and Toddlers - This session is a part of the Kaplan Learn Every Day curriculum. This curriculum is based on the latest research of how infants and toddlers learn best, each of the 36 thematic units are aligned to Head Start Outcomes, School Readiness Goals, and State Early Childhood Standards!
 - Kaplan Learn Every Day Curriculum training series for Preschool - This session is a part of the Kaplan Learn Every Day curriculum based a preschool training series. This curriculum is based on the latest research of how preschool children learn best, each of the 36 thematic units are aligned to Head Start Outcomes, School Readiness Goals, and State Early Childhood Standards!
 - Nemours BrightStart Level One training - Nemours BrightStart! is a multi-sensory approach to literacy for at-risk children in a Pre-K classroom. This is a 2 day/12 hour training that will teach you how to implement the program in a small group setting.
 - National Child Development Associate (CDA) Foundations Training Course - Through this application process, you will become familiar with this Learning Management System that you will be using throughout this program. Training will consist of on-line content and face-to-face sessions.
 - Child Development and Learning - In this online course providers will take 20 hours/2.0 CEU's of course work to learn about child development and learning. In this course providers will be expected to take 16 individual courses to make up the 20 hours of coursework. These classes are online. Participants will be expected to complete all course work by June 15, 2019. This

course is designed to assist providers with the Professional Development Requirement of 20 hours of IACET training.

- Social and Emotional Series offered by Lakeshore - In this series providers learn several different social emotional competencies that can assist them as they work with students in their classrooms. Each course is 3 hours and teachers leave fully equipped to take the practices back with them.
- The ELCOC offers an Artist in Residence program to interested early childhood programs in support of enhancing creativity and a better understanding of how to incorporate the arts into early childhood classroom curricula. Nine (9) teachers completed this program from six (6) centers with thirty-three (33) classrooms and four hundred and eight (408) children participating in 2018-2019.
- **Teacher-Child Interactions**
 - **Creating Classroom Connections-** Participants will learn how to use brain-based strategies and research to build and maintain connections with their students, as well as connecting students with their peers. These rituals and routines promote positive behavior and foster caring interactions throughout the school family. Using the research of Dr. Becky Bailey and Conscious Discipline, participants will understand how to create a safe learning environment that fosters connections and meets the social emotional needs of their students.
 - **How to Build a Child's Brain With High Quality Teacher Talk -** High quality teacher talk equals better student language skills and school readiness. In this course participants will: a) Develop an understanding of the research behind the 30 Million Word Gap, b) Learn practical strategies to improve their high quality talk, c) Improve their CLASS scores in Concept Development, Quality Feedback, and Language Modeling.
 - **Jumping Jelly Beans: Understand Behavior and why it happens -** Jumping Jelly Beans explores ways to successfully implement positive behavior strategies in your classroom. In this class providers will also learn personalities and how they can affect behaviors.
 - **Foundations of Teacher Child Interactions -** The CLASS (Classroom Assessment Scoring System) is a tool that evaluates teachers on their interactions with young children within their classroom. In this course participants will learn the three sections of CLASS: Emotional Support, Classroom Organization, and Instructional Support. They will also learn how the tool can be effective in promoting professional development as it provides feedback for teachers who can improve their teaching and provide quality instruction.
 - **A Lifetime of Survival (The Six Skills of Survival for Young Children) -** The purpose of this session is to help participants understand the Six Skills of Survival in which are critical to a child's social-emotional development. Social emotional development is an essential portion of a child's overall development. With this it's critical that educators working with young children understand its foundation. These six skills of survival includes, attachment, belonging, self-regulation, collaboration, contribution, and adaptability. This course talks about each skill and what they may look like both developed and under developed.
 - The ELCOC, in collaboration with the funding circle, One Hundred Women Strong and Kimberly Renk, Ph.D., Dept. of Psychology, University of Central Florida, offered the **Circle of Security program** to two child care programs in the Pine Hills community. This attachment-based training focuses on helping to support early childhood teachers in their supportive

responses to very young children. Thirty early childhood teachers and two owner/directors took part in this training & consultation program.

- **Age-Appropriate Discipline Practices**
 - Promoting Social and Emotional Competence: Positive Behavioral Support Series - These modules were developed to provide a comprehensive, systems-wide approach for preventing problem behavior in young children. It includes three levels of prevention with intervention addressing the needs of all children within a preschool or early childhood setting. Interventions at the primary prevention level involve creating predictable, enriched, and safe settings for young children.
- **Health and Safety; First Aid; Recognition of Communicable Diseases; Child Abuse Detection and Prevention**
 - Baby Institute - Ten (10) week program for parents of children birth-to-five years old residing in Orange County. Baby Institute is designed to help parents build knowledge and skills that lead to better school readiness outcomes. Baby Institute focuses on Parent education classes that focus on health, safety, nutrition, developmental milestones, and how to support children as they obtain growth outcomes.

QUALITY ACTIVITIES FOR INFANT AND TODDLER CARE

Provide a description of the quality activities and services the coalition provided to enhance infant and toddler care.

The Infant-Toddler Child Development Associate (CDA) Training Program supports experienced infant and toddler teachers in obtaining their national Infant-Toddler CDA credential. A qualified Infant Toddler Specialist offers specific training and classroom mentoring to assist teachers in developing skills and understanding to support young children's growth, development and learning. The program consists of 80 hours of focused training based on the 8 CDA Subject Areas:

1. Planning a safe and healthy learning environment
2. Advancing children's physical and intellectual development
3. Supporting children's social and emotional development
4. Building productive relationships with families
5. Managing an effective program
6. Maintaining a commitment to professionalism
7. Observing and recording children's behavior
8. Understanding principles of child development and learning

Participants in this program prepare a Professional Portfolio and are equipped to demonstrate their competency in working with young children. Earning the CDA credential is a powerful step in furthering their expertise in the field of early childhood education with the potential of advancing to a two-year or four-year degree.

EVALUATION OF DIRECT ENHANCEMENT SERVICES

The Career Source Training Program provides participants with the child care training to become quality infant-toddler teachers. Working in partnership with Career Source Central Florida, ELCOC provides an experienced Early Childhood Specialist to conduct face-to-face training and classroom mentoring to assist and support these new teachers to complete their 45 DCF state mandated training hours and pass the DCF competency exams. Participants completing this program are qualified and marketable to work with young children.

ELCOC continued to utilize the LENA Grow program with infant/toddler classrooms to support language development and conversational turns between infant/toddlers and their child care teachers. Fifteen (15) teachers in eleven (11) classrooms with ninety-nine (99) children participated in 2018-2019.

ELCOC, with the support of the Orlando Magic Youth Foundation, offered an Infant/Toddler CDA program in 2018 that provided 20 infant/toddler teachers with the necessary training to apply for the national Infant/Toddler Child Development Associate credential. As of July 2019, seventeen (17) teachers have been awarded their national CDA credential.

MONITORING

Describe the process for monitoring of compliance with, and enforcement of, applicable state and local requirements.

ELCOC monitors compliance with state and local requirements on a continual basis. Each year, the Coalition is subject to one Federal Single Audit through an independent and fully qualified Certified Public Accountant firm, one operational and fiscal audit by the State of Florida Office of Early Learning and two additional desk reviews by the State of Florida Office of Early Learning. With trainings offered throughout the year by state, federal and independent agencies, Coalition staff have been able to ensure compliance with all state and local requirements.

VPK and School Readiness programs are monitored in accordance to Florida law and the VPK and School Readiness agreements. Non-compliance issues are addressed according to the non-compliance policies for VPK and School Readiness programs. Licensing issues are referred to the Department of Children and Families. Based on the State CCDF Plan, Health and Safety Violation identified in statute are applicable to the Coalition's Progression Monitoring Policy and Discipline.

The Coalition's Provider Relations Team (Internal Staff) provide training to provider owners and directors, providing compliance guidelines and reviewing provider contracts while the Monitoring and Technical Assistance Team (Itinerate Staff) visit facilities to make sure that state regulations are being followed.

In addition, ELCOC staff continually monitor and review contracts and agreements with vendors and subrecipients through on-site and off-site reviews, payment validation and verification of budget to expenses, expense classifications, and quality of goods and/or services received. The contract monitoring encompasses administrative and programmatic standards expected to be met by the Coalition's contractors per the Coalition's standard contract, its attachments, applicable Florida Statutes, Florida Administrative Code (F.A.C.), federal regulations, contract terms and conditions, and Coalition policy.

EVALUATION OF DIRECT ENHANCEMENT SERVICES

INCLUSION

Describe the activities the coalition has implemented to promote inclusive child care including responding to Warm-Line requests by providers and parents and providing developmental and health screenings to school readiness program children.

The coalition offers support services to child care providers who promote inclusive child care. These services include technical assistance for teaching staff in the form of community resources and strategies for supporting the care and education of the children they serve. It also includes a follow up observation of children with developmental concerns/special needs, and the provision of community resources to parents for accessing evaluation and therapeutic intervention services. Services also include a follow up for determination or verification of special needs funding requests by child care providers of children with identified special needs in their care for whom they provide quality care and support.

4C offers developmental (ASQ) and health screenings (Hearing/Vision) to school readiness program children. The Inclusion Specialist Team then follows up with staff consult, child observation, and parent interaction concerning child development, needs, support services and resources for children screened who demonstrate concerns.
