### COMPREHENSIVE CONSUMER EDUCATION

Describe how the Coalition coordinated resource and referral programs specifically related to the provision of comprehensive consumer education to parents and the public regarding participation in the school readiness program and parental choice.

Early Learning Coalition of Orange County (ELCOC) coordinated resource and referral programs engaged parents throughout the 2017-2018 fiscal year to provide comprehensive consumer education to parents and the public regarding parent choice and School Readiness (SR) in the following ways:

**Child Care Resource & Referral (CCRR):** ELCOC contracted with Community Coordinated Care for Children (4C) to provide child care referrals to parents to make them aware of their options for high quality early education sites. During FY 2017-2018 there were 19,458 referral requests, 9,647 parents assisted, and 10,447 of the calls were requests for financial assistance with childcare.

**Outreach and Awareness:** ELCOC Community Engagement Unit and 4C participated in over forty outreach and awareness events to reach Orange County's diverse population of parents. During these events information about SR assistance and the importance of early education environments were given directly to parents of young children. ELOC continued the emphasis of quality early education programs with the awareness and promotion of early literacy, Quality Stars, and Performance Funding Project (PFP) programs through various channels and strategic community partnerships including television, radio, print, and billboard advertising.

**Community and Corporate Volunteer Outreach Programs:** ELCOC Community Engagement Unit developed a strategic plan for engaging community members in our early literacy initiatives with the following programs:

- ELCOC Celebrity Reader Program: Engages community influencers to showcase the importance of school readiness and early literacy by reading to a VPK classroom. As ambassadors they raise awareness and connect their network to one of the ELCOC initiatives.
- ELCOC Book Buddy Program: This program matches volunteers with a 4-year-old in a VPK classroom to promote reading, writing, and social skills by becoming pen pals and exchanging letters and books. The adult Book Buddy commits to respond to three letters from their book buddy and purchase 3 books in a school year. (ELCOC coordinates correspondence)
- Preschool Ambassadors: An initiative, through Orlando Cares, Mayor Buddy Dyer's Cities of Service, which engages families in early literacy activities, increases pre-kindergarten enrollment and supports early literacy development in pre-kindergarten programs. Preschool Ambassadors opportunities including *Ready Readers* who read to children weekly in VPK classrooms helping to provide greater exposure to books in support of kindergarten readiness.

**National League of Cities/Early Learning Nation Initiative:** ELCOC participated, in collaboration with the City of Orlando, in Early Learning Nation (ELN) to support local officials in developing and strengthening early childhood systems to ensure that young children in our cities grow up safe, healthy and ready to learn. The goal is to build an Early Learning Nation of communities that prioritizes kids and their families promoting early learning and development for early and life-long success.

**UCF/Helios Foundation Parramore Education Innovation District:** ELCOC participated, in partnership with the College of Education & Human Performance and UCF Downtown, Center for Higher Education Innovation (CHEI) is leading a multi-stakeholder initiative to develop and enhance an educational ecosystem in the Parramore Communities adjacent to the UCF Downtown campus. The goal is to provide a pathway for every child in Parramore to obtain a college degree.

**Lectio Institute:** ELCOC led a team of four community agencies to a statewide Grade Level Reading Campaign sponsored by the Lectio Institute. The Lectio Institute supports the development of research-based effective community collaboration to encourage data sharing and analysis in support of early literacy development.

## PROVIDER FINANCIAL SUPPORTS

Provide a list of grants, awards, or bonuses offered to school readiness program providers to assist them in meeting applicable state requirements for child care performance standards, implementing developmentally appropriate curricula and related classroom resources that support curricula, providing literacy supports, and providing professional development.

Include the qualifying criteria to receive financial supports and related monitoring activities to verify appropriate use of support.

ELCOC has given providers, their directors and teachers the following supports to meet state requirements for child care performance standards, implementing developmentally appropriate curricula and related classroom resources that support curricula, providing literacy supports, and providing professional development with the following:

**Reimbursement Increase for Infants:** ELCOC increased the provider reimbursement for infants from \$127.50/week to the 2017 market rate for accredited centers of \$212.50/week in the final months of FY 2017-2018. Rates were also updated to market rate for licensed centers and family child care homes. An additional \$13.5M would allow an increase to the 2017 market rate for providers serving one – five year olds.

**Performance Funding Project (PFP):** This project gives eligible, selected child care providers and their instructors an opportunity to earn additional compensation for improving school readiness program outcomes. In FY 17-18, ninety-four early care and education providers participated in PFP.

# EVALUATION OF DIRECT ENHANCEMENT SERVICES

**PFP Eligibility:** Providers in Orange County were eligible for funding based on the criteria outlined to coalitions by the Florida State Office of Early Learning (OEL). Eligibility required a minimum of twenty percent of the providers' birth-to-five enrollment to be comprised of School Readiness students. In addition, providers must not possess any Class I violations or more than two Class II licensing violations within the last two years. All providers with infant to prekindergarten classrooms agreed to participate and:

- Have the evaluator conduct assessments.
- Benchmark and submit information to OEL.
- Have the director participate in all trainings.
- Pay for instructor's access to selected CLASS trainings or child subscriptions to an online assessment system.

**Florida Association for the Education of Young Children (FLAEYC):** Providers in good standing with ELCOC applied for FLAEYC participation. ELCOC distributed scholarships for those directors and providers to attend the statewide FLAEYC conference and leadership day.

**Criteria for FLAEYC Scholarships:** Providers were required to submit documentation upon their attendance and completion of designated workshops and Continuing Education Units (CEU) evaluation paperwork. ELCOC awarded providers additional funds for their CEUs to maintain their credentials.

**Infant/Toddler Child Development Associate Credential (ITCDA)** The ITCDA program provided financial incentives for educators who took the training and received their Infant/Toddler CDA Credentials. The ITCDA program provided financial support in two ways:

**Center:** Financial incentives were provided to early childhood programs to assist in off-setting costs of releasing teachers to attend CDA training. The amount of the financial incentive is based on the individual teacher's CDA course instructional hours.

**Teacher:** Financial incentives were provided to participating teachers after receiving their Infant/Toddler Child Development Associate (CDA) Credential.

**ITCDA Eligibility:** Providers with eligible infant/toddler teachers applied; priority was to ELCOC providers operating in "at risk" zip codes.

A special thanks to Orlando Magic Youth Foundation for financial support.
