

VIRTUAL TRAINING COMING SOON...

HEALTHY KIDS, HEALTHY FUTURE

is a free and interactive **training series for early learning providers** on how to encourage children to make healthy choices.

You'll receive:

- **Materials and resources** for short and fun classroom activities about fruits, vegetables, physical movement, and more
- **Help** applying for the [*Florida's HEROs Recognition Program*](#), which recognizes centers that promote healthy habits
- **Training** on how wellness policies can support a healthy learning environment

Additional Benefits Include:

CEUs for qualified centers (1.2 CEUs for 12 hours of training)

Kaplan Credit if Florida's HEROs recognition is obtained

Interested in Learning More?
