Early Childhood Community Legal Services

The Early Learning Coalition of Orange County (ELCOC) seeks the assistance of a qualified consultant to assist with the provision of early childhood legal counseling/business services to early childhood child care owners, directors, and family child care home providers in our community.

We assume the consultancy will occur between January 25, 2022 and June 30, 2022. Options to continue the consultancy to refine and expand the engagement may extend through June 30, 2023 based on ELCOC need and funding availability.

For more information on ELCOC go to <https://elcoforangecounty.org/>

The specific assistance desired is:

- Provide one-hour individual review for fifty early childhood business administrators in support of assessment of their legal needs regarding business services. This may include real estate (leasing or ownership), contracts, document review, or other business oriented legal services inherent to successful operation of an early childhood program.
- Provision of four hours of legal services to a maximum of 25 early childhood business administrators to assist them with follow up as warranted from the initial assessment of services.
- Identifiable metrics to capture and report legal/business services and common issues, concerns, successes, and relevant needs to further inform ELCOC early childhood business supports.

The ELCOC collaborates with and supports our diverse and culturally rich early childhood community serving Orange County's young children and their families. Applicants familiar with working with early childhood programs and our community's diverse business community are especially encouraged to apply.

Qualified applicants should submit credentials, a brief description of your approach to the above, and proposed bid not later than 12:00 noon January 21, 2021. Submissions should be sent to:
