Partnership Opportunities

OF ORANGE COUNTY

Partnership Opportunity Overview

What:

Join Early Learning Coalition of Orange County for a four-week campaign that will raise much-needed dollars for and awareness about the importance of the first five years of a child's life -- the most critical time for both short term and sustained long term success.

ELCOC helps ensure every child has access to high quality early education to build a foundation for lifelong success. Your involvement in this campaign can have a life-changing and life-long impact.

This campaign will allow us to showcase the stories of the children ages birth to Pre-kindergarten and their families as well as the great work being done by the more than 600 organizations providing these essential services in our community.

At ELCOC, Adventure Awaits for not only the children who attend our programs but for the community too. Find Adventure for you, your colleagues and friends by donating, volunteering or hosting a wish list drive.

May 16 to June 17, 2022
