RFQ #2223-01 | ELCOC Website Re-development

Question	
Question	The CMS information has not been provided so I wanted to know about the particular CMS that has been used to design the existing RFP and if the scope includes changing or upgrading the CMS.
Response	<i>Our current CMS is WordPress. We hope that our proposers would submit their own ideas on how our organization can benefit from a re-development of our website. Feel free to provide your recommendations on your proposal.</i>
Question	Can you tell me if Canadian companies can bid on your RFQ # 2223-01 Website Redevelopment inquiry
Response	<i>Yes, as long as your company has permits/registered with United States for Business.</i>
Question	I'd like to know if there are any additional addenda for the above-referenced RFQ
Response	<i>No, there isn't an addendum for RFQ 2223-01 at this time.</i>
