

2023 Family Engagement Month Provider Tips for Promoting Family Engagement

During Family Engagement Month

- Post banners or signs celebrating families throughout your facility.
- Create a bulletin board with pictures of your children's and staff's families. Post family activity tips and family friendly community events.
- Highlight family activities on social media posts.
- Share copies of the Family Engagement Month Calendar and post the calendar on your website.
- Host a family night or breakfast event.
- Share flyers on child development and other relevant topics.
- Show videos in your office area from previous family engagement events.
- Share Division of Early Learning's Parents' Pages with families. Show parents how to sign up to receive them digitally.
- Create a parent library where families can check out books each week to enjoy reading with their child.
- Use the family's preferred method of contact and send daily family engagement tips.
- Showcase the children's work throughout the month for their families to view and enjoy.
- Greet each family by name with a smile.
- Engage in face-to-face conversations about the importance of family engagement with families during drop off and pick up times.
- Share and complete the DEL Family Engagement Checklist with the family.
