These activities shall include, but are not limited to regular contact with subrecipients, vendors, desk reviews, and site visits. If as a result of the monitoring, the services provided are deemed to be unsatisfactory and in non-compliance with the terms of the CONTRACT, monitoring then will be done on a monthly basis until satisfaction is obtained and the CONTRACTOR may be required to submit a corrective action plan.

CC. Corrective action/non-compliance:

Corrective action shall be taken to correct identified deficiencies and produce recommended improvements. The CONTRACTOR will be advised in writing about the requirements necessary to correct any non-compliance problems. If appropriate, as determined by the COALITION, the CONTRACTOR may be required to submit a corrective action plan, including the dates when any corrective action will be completed. Failure to comply with a corrective action plan may lead to the termination of this CONTRACT.

DD. Withholding of funds:

The COALITION reserves the right upon written notice, to withhold funds, in whole or in part, for non-performance under the approved plan or non-compliance with the terms and conditions of the CONTRACT until such time as the COALITION determines that the CONTRACTOR has corrected its performance and is in full compliance with the CONTRACT. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery.

The COALITION will provide the CONTRACTOR with written notice that details its findings of non-performance or non-compliance and timelines for submitting a corrective action plan and correcting all noted deficiencies. In order to ensure funds are not withheld, the CONTRACTOR shall respond to the notice within thirty (30) calendar days, or the timeline specified, and provide a corrective action plan that addresses all noted deficiencies. If the corrective action plan is approved by the COALITION, the CONTRACTOR shall implement the corrective action within the prescribed timeframe. Failure to respond in writing and submit a subsequent corrective action plan within thirty (30) calendar days, or other timeline specified by the COALITION, may lead to funds being withheld from the CONTRACTOR. Once the COALITION determines that the corrective action has been successfully implemented and that the CONTRACTOR is in compliance with the CONTRACT, the COALITION will re-instate the funds previously withheld.

EE. Indemnification:

NOTE: Subparagraphs a. and b. below are not applicable to contracts executed between state agencies or subdivisions, as defined in subsection 768.28(2), Florida Statutes:

- a. To the extent permitted by law, the CONTRACTOR shall be liable for and indemnify, defend, and hold the COALITION and all of its officers, agents, and employees harmless from all claims, losses, suits, judgments, or damages, including administrative proceedings, attorneys' fees (including all levels of appeal) and court costs and expenses, arising out of any acts, actions, negligence, or omissions by the CONTRACTOR, its agents, officers, subcontractors, or employees during the performance or operation of this CONTRACT or any subsequent fees (including all levels of appeal) and court cost expenses, arising out of any acts, actions, negligence, or omissions by the CONTRACTOR, its agents, officers, subcontractors, or employees during the performance or operation of this CONTRACT or any subsequent modifications thereof, whether direct or indirect, and whether to any person or tangible or intangible property, including, without limitation, any and all claims, demands, or causes of action of any nature whatsoever resulting from injuries or damages sustained by any person or property. This section shall survive the expiration or earlier termination of this CONTRACT. To the extent considered necessary by the COALITION, any sums due CONTRACTOR under this CONTRACT may be retained by the COALITION until all of the COALITION'S claims for indemnification pursuant to this CONTRACT have been settled or otherwise resolved; and any amount withheld shall not be subject to payment of interest by the COALITION. The parties agree that such indemnification obligations shall survive the expiration or termination of this CONTRACT. Nothing herein shall be construed to waive any sovereign immunity that may be applicable pursuant to law.
- b. The CONTRACTOR'S inability to evaluate its liability or its evaluation of liability shall not excuse the

CONTRACTOR'S duty to defend and to indemnify within seven (7) calendar days after written notice is given by the COALITION to the CONTRACTOR by certified mail, return receipt requested, or in person with proof of delivery. After the highest appeal taken is exhausted, only an adjudication or judgment specifically finding the CONTRACTOR not liable shall excuse performance of this provision. The CONTRACTOR shall pay all costs and fees, including attorneys' fees related to these obligations and their enforcement by the COALITION. The COALITION'S failure to notify the CONTRACTOR of a claim shall not release the CONTRACTOR from these duties. The CONTRACTOR shall not be liable for the negligent or intentional acts or omissions of the COALITION or any third party.

FF. Dispute resolution:

The COALITION'S Contract Administrator shall be the first contact for dispute resolution concerning performance of this CONTRACT. The CONTRACTOR agrees to present to the COALITION written notice of any disputes or disagreements concerning this CONTRACT that cannot be resolved by the COALITION'S Contract Director. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. The COALITION'S Executive Director shall decide the dispute or disagreement within ten (10) business days after receiving said notice, reduce the decision to writing, and deliver a copy to the CONTRACTOR by certified mail, return receipt requested, or in person with proof of delivery. If the CONTRACTOR is dissatisfied with the Executive Director's decision, it may be appealed in writing to the COALITION'S Board of Directors within twenty-one (21) calendar days of the CONTRACTOR'S receipt of the Executive Director's decision. The COALITION agrees to allow the CONTRACTOR to bring the dispute or disagreement before a quorum of the membership of the COALITION or a standing committee composed exclusively of voting members for a final decision. Once the COALITION'S Board of Directors has made its final decision, either party may then choose to pursue the matter through other legal recourse that may be available. The prevailing party to any legal dispute involving this CONTRACT shall be entitled to the award of reasonable attorney's fees and cost. The venue for any legal action between the parties shall be Orange County, Florida.

GG. Knowledge of terms of this contract:

The CONTRACTOR shall take such actions as are necessary to ensure the knowledge and understanding of the terms of this CONTRACT by all staff of the CONTRACTOR and any subcontractor(s) if approved by the COALITION.

HH. Enforcement of contract provisions:

The failure or delay of the COALITION to strictly exercise or enforce any of its rights or the provisions of this CONTRACT, or to require strict performance by the CONTRACTOR of any provision herein, shall not constitute waiver of such provisions or the validity of this CONTRACT or any part hereof, or waive the right of the COALITION to thereafter enforce each and every provision herein.

II. Warranty of ability to perform:

The CONTRACTOR covenants and warrants:

1. It is lawfully organized and constituted under federal, state, and local laws, ordinances, and other authorities of its domicile and otherwise in full compliance with all legal requirements of its domicile.
2. It is possessed of the legal authority and capacity to enter into and perform this CONTRACT.
3. It is duly authorized to operate and do business in the State of Florida; and,

5. To the best of its knowledge, there is no pending or threatened action, proceeding, litigation or investigation, or any other legal or financial condition, which would in any way prohibit, restrain, or diminish the CONTRACTOR'S ability to perform under the CONTRACT.
6. The CONTRACTOR agrees to immediately notify the COALITION within twenty-four (24) hours if its ability to perform its obligations under the terms of this CONTRACT is compromised in any manner or if it is involved in any litigation during the term of the CONTRACT.

JJ. Mandatory reporting of fraud and criminal activity:

In accordance with 2 CFR §200.113, Mandatory Disclosures, the ELC and its approved subcontractors must comply with

and inform its employees of mandatory reporting requirements. Each employee of the ELC and any subcontractor (subrecipient or contractor) providing services in connection with this Contract shall disclose to the DEL Inspector General in a timely manner and in writing all violations involving fraud, bribery or gratuity violations potentially affecting this agreement and/or the related federal/grant program(s).

KK. Insurance:

1. CONTRACTOR's Insurance

a) The CONTRACTOR shall maintain adequate liability insurance coverage on a comprehensive basis and hold such liability insurance at all times during the existence of this Contract and any renewal(s) and extension(s) of it. By execution of this Contract, unless it is a state agency or subdivisions as defined by subsection 768.28(2), F.S., the CONTRACTOR accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the CONTRACTOR, the COALITION, and the clients to be served under this Contract. Upon execution of this Contract, the CONTRACTOR shall furnish the COALITION written verification supporting both the determination and existence of such insurance coverage and naming the COALITION as an additional insured and certificate holder on such coverage (except workers' compensation). Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. The COALITION reserves the right to require additional insurance as specified in Attachment I. Where applicable, the CONTRACTOR shall maintain errors and omissions insurance on its board members and fidelity bonding of its fiscal personnel.

2. Workers' Compensation Insurance

During the Contract term, the CONTRACTOR at its sole expense shall provide commercial insurance of such type and with such terms and limits as may be reasonably associated with this Contract, which, as a minimum shall be: worker's compensation and employer's liability insurance in accordance with Chapter 440 F.S., with minimum employer's liability limits of \$100,000 per accident, \$100,000 per person, and \$500,000 policy aggregate. Such policy shall cover all employees engaged in any Contract Work. Employers who have employees who are engaged in work in Florida must use Florida rates, rules, and classifications for those employees.

3. The CONTRACTOR shall not commence any work in connection with this Contract until the COALITION has a copy of its insurance coverage. All insurance policies shall be with insurers who are qualified and doing business in Florida. The COALITION shall be exempt from, and in no way liable for, any sums of money that may represent a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the CONTRACTOR. A self-insurance program established and operating under the laws of the State of Florida may provide such coverage by the CONTRACTOR.

4. Unemployment Compensation Insurance

The CONTRACTOR, during the life of this Contract, must comply with the Reemployment Assistance reporting and contribution payments required under Chapter 443, F.S., for all employees connected with the work of this Contract.

5. Employee Dishonesty and Director's and Officer's Insurance:

The CONTRACTOR agrees to furnish employee dishonesty insurance and director's and officer's insurance from a responsible B+ or higher insurance company to cover all officers, employees and agents of the CONTRACTOR authorized to handle funds received or disbursed under this Contract.

6. The CONTRACTOR shall maintain all other types of insurance required by law.

II. COALITION AGREES:

A. EFFECTIVE DATE

This CONTRACT shall be effective XXXXXXXXXX, or when signed by both parties.

B. ENDING DATE

This CONTRACT shall end XXXXXXXXXXXXXX, unless the CONTRACT is terminated earlier.

C. EXTENSION

Subject to agreement by the parties, extension of the CONTRACT shall be in writing for a period not to exceed six (6) months and shall be subject to the same terms and conditions set forth in the initial CONTRACT. There shall be

only one extension of the CONTRACT unless the failure to meet the criteria set forth in the CONTRACT for completion of the CONTRACT is due to events beyond the control of the CONTRACTOR.

III. THE CONTRACTOR AND COALITION AGREE:

A. ORDER OF PRECEDENCE

If there is any conflict between the provisions set forth in the CONTRACT (as such may be modified from time to time by the COALITION and the other standards set forth in the CCDF State Plan and federal and state law), it will be resolved in the following order of priority, (i) federal law, (ii) state law, (iii) the CONTRACT, (iv) the CCDF State Plan.

B. CONTRACT MODIFICATIONS

In addition to changes necessitated by law, the COALITION may at any time, with Written notice to the CONTRACTOR, make changes within the general scope of the CONTRACT. Such changes may include modification to the requirements, changes to processing procedures, or other changes as decided by the COALITION. Any investigation necessary to determine the impact of the change shall be the responsibility of the CONTRACTOR. Modifications to the provisions of this CONTRACT shall only be valid when they have been rendered in writing and duly signed and dated by both parties.

C. CONTRACT RENEGOTIATION

The parties agree to renegotiate this CONTRACT if federal and/or state revisions of any applicable laws or regulations make changes in the CONTRACT necessary. Modifications of the provisions of this CONTRACT shall only be valid when they have been reduced to writing and duly signed and dated by all parties.

D. STATE FUNDING OBLIGATION - CONTINGENCY STATEMENT

The State of Florida's performance and obligation to pay under this CONTRACT is contingent upon an appropriation by the Legislature. If funds to enable the COALITION to effect continued payment under this CONTRACT are not appropriated, COALITION shall terminate this CONTRACT after providing written notice, at least twenty-four (24) hours before termination of this CONTRACT.

E. REMEDIES FOR NON-PERFORMANCE

1. The CONTRACTOR acknowledges that the COALITION reserves the right, to withhold funds, in whole or in part, for non-performance with the terms and conditions of the CONTRACT until such time as the COALITION determines that the CONTRACTOR has corrected its performance and is in full compliance with the CONTRACT. Non-performance is defined as the failure, neglect, or refusal to perform any act stipulated under the CONTRACT. The COALITION shall provide written notice to the CONTRACTOR, with proof of delivery.
2. The COALITION will provide CONTRACTOR with written notice that details its findings of non-performance, specifying the nature of any defect or failure in performance, and timelines for submitting a corrective action plan and for curing all noted deficiencies in performance to the reasonable satisfaction of the COALITION. In order to ensure funds are not withheld, CONTRACTOR shall respond to the notice within thirty (30) calendar days, or the timeline specified, and provide a corrective action plan that addresses all noted deficiencies. If the corrective action plan is approved by the COALITION, CONTRACTOR shall implement the corrective action plan within the prescribed timeframe. Once the COALITION determines that the corrective action has been successfully implemented and that CONTRACTOR is in compliance with the CONTRACT, the Coalition will release funds previously withheld.
3. Failure to respond in writing and submit a corrective action plan within thirty (30) calendar days, or other timeline specified by the COALITION, may lead to funds being withheld from CONTRACTOR. The COALITION shall provide written notification to CONTRACTOR of the failure to satisfactorily cure the deficiencies. Funds shall be disallowed for all or part of the noted deficiencies in performance that CONTRACTOR failed to cure. Said written notice shall be delivered to CONTRACTOR, with proof of delivery. In addition, the COALITION shall have the right to terminate the CONTRACT for cause.

F. REMEDIES IN THE EVENT OF DEFAULT

1. In the event that the CONTRACTOR breaches any of its material duties or obligations under this CONTRACT, which are either not capable of or subject to being cured, or are not cured within the time period specified

in the written notice of breach provided by the COALITION, or pose a serious and imminent threat to the health and safety of any person, or the imminent loss, damage or destruction of any real or tangible personal property, the COALITION may, having provided written notice of termination to the CONTRACTOR, terminate this CONTRACT in whole or in part, for cause, as of the date specified in the notice of termination. The notification will also provide that, should it fail to perform within the time provided, the CONTRACTOR will be found in default and removed from the COALITION's approved vendor list.

2. Unless the CONTRACTOR corrects its failure to perform within the time provided, or unless the COALITION determines on its own investigation that the CONTRACTOR's failure is legally excusable, the COALITION shall find the CONTRACTOR in default and shall issue a second notice stating (i) the reasons the CONTRACTOR is considered in default, (ii) that the COALITION will re-procure or has procured the commodities or services, and (iii) and the amount of the re-procurement if known.
3. **In the event that this CONTRACT is terminated for cause, in addition to any remedies otherwise available to the State by law or equity, the CONTRACTOR is responsible for all costs incurred by the COALITION in terminating this CONTRACT and reimbursement of any pre-payment made.**

G. FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE

1. Neither party shall be liable to the other for any delay or failure to perform under the CONTRACT if such delay or failure is neither the fault nor the negligence of the party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the party's performance obligation under the CONTRACT. If the delay is excusable under this paragraph, the delay will not result in any additional charge or cost under the CONTRACT to either party. In the case of any delay the CONTRACTOR believes is excusable under this paragraph, the CONTRACTOR shall notify the COALITION in writing of the delay or potential delay and describe the cause of the delay within ten (10) calendar days after the cause that creates or will create the delay.
2. The foregoing shall constitute the CONTRACTOR'S sole remedy or excuse with respect to delay. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. The COALITION, in its sole discretion, will determine if the delay is excusable under this paragraph and will notify the CONTRACTOR of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against the COALITION. The CONTRACTOR shall not be entitled to an increase in the CONTRACT price or payment of any kind from the COALITION for direct, indirect, consequential, impact, or other costs, expenses, or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever.
3. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist, the CONTRACTOR shall perform at no increased cost, unless the COALITION determines, in its sole discretion, that the delay will significantly impair the value of the CONTRACT to the COALITION or the State, in which case, the COALITION may do any or all of the following, (1) accept allocated performance or deliveries from the CONTRACTOR, provided that the CONTRACTOR grants preferential treatment to the COALITION with respect to products or services subjected to allocation; (2) purchase from other sources (without recourse to and by the CONTRACTOR for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the CONTRACT quantity; or (3) terminate CONTRACT.

H. TERMINATION DUE TO LACK OF FUNDS

If funds to finance the CONTRACT become unavailable or if federal or state governments withdraw or redirect funds upon which the CONTRACT depends, COALITION may terminate the CONTRACT in writing with no less than 24 hours' notice. The CONTRACTOR shall receive notice by certified mail with proof of delivery or in person with proof of delivery. COALITION shall be the final authority as to fund availability and will not reallocate funds earmarked for the CONTRACT to another program, thus causing lack of funds.

I. TERMINATION FOR CAUSE

1. All services performed by the CONTRACTOR prior to the termination date of this CONTRACT shall be

professionally serviced to conclusion in accordance with the requirements of the CONTRACT. Should the CONTRACTOR fail to perform all services under the CONTRACT, the CONTRACTOR shall be liable to the COALITION for any fees or expenses that the COALITION may incur in securing a substitute provider to assume completion of those services. As provided in section 287.135, F.S., the COALITION may, at its option, terminate the CONTRACT immediately in the event the CONTRACTOR (as a company as defined in such statute), is found to have submitted a false certification as provided under section 287.135 (5), F.S., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List. Both lists are provisions of s. 215.473, F.S.

 - c. The commitment of any material breach of this CONTRACT by the CONTRACTOR, failure to timely deliver a major Deliverable, discontinuance of the performance of the work, failure to resume work that has been discontinued within a reasonable time after notice to do so, or abandonment of the CONTRACT;
 - d. Employment of an unauthorized alien in the performance of the work;
 - e. Failure to abide by any statutory, regulatory, or licensing requirement;
 - f. One or more of the following circumstances, uncorrected for more than thirty (30) calendar days unless within the specified thirty (30) day period, the CONTRACTOR (including its receiver or trustee in bankruptcy) provides to the COALITION adequate assurances, reasonably acceptable to the COALITION, of its continuing ability and willingness to fulfill its obligations under the CONTRACT:
 - i. Entry of an order for relief under Title 11 of the United States Code.
 - ii. The making by the CONTRACTOR of a general assignment for the benefit of creditors;
 - iii. The appointment of a receiver general or trustee in bankruptcy of the CONTRACTOR's business or property;
 - iv. An action by the CONTRACTOR under any state insolvency or similar law for the purpose of its bankruptcy, reorganization, or liquidation;

 - h. The CONTRACTOR fails to maintain the performance bond or letter of credit (if applicable).
 - i. The CONTRACTOR fails to maintain the required insurance herein (if applicable).

 - m. The CONTRACTOR refuses to allow auditor access, if applicable, as required by the CONTRACT.
 - n. The CONTRACTOR relocates facilities containing State Data outside the United States; or changes Subcontractors in violation of Contract, if applicable, and Subcontracts; or is in material deviation from processes or operations in violation of the program's technical specifications and required Services, as applicable.

liquidated damages or Service Credits, as applicable.

J. TERMINATION FOR CONVENIENCE

The COALITION may terminate this CONTRACT for its convenience, in whole or part, if the COALITION determines that such a termination is in the State's best interest. Reasons for such termination shall be left to the sole discretion of the COALITION. The COALITION shall have the right to terminate or suspend the CONTRACT, by providing the CONTRACTOR thirty (30) calendar day's written notice. The CONTRACTOR shall not perform any Services after it receives the notice of termination, except as necessary to complete the transition or continued portion of the CONTRACT, if any.

It is specifically intended by the parties that acceptance of required reports shall constitute a separate act. The COALITION reserves the right to reject reports as incomplete, inadequate, or unacceptable according to the parameters set forth in this Contract. The COALITION, at its option, may allow additional time within which the CONTRACTOR may remedy the objections noted by the COALITION or the COALITION may declare the Contract to be in default.

D. The CONTRACTOR shall maintain all records required to be maintained pursuant to this Contract in such a manner as to be accessible by the COALITION upon demand. Where permitted under applicable law, access by the public shall be permitted without delay.

- D. The CONTRACTOR acknowledges and agrees that the COALITION may conduct quality assurance reviews during the Contract period to assess the quality of services provided under this Contract; to determine compliance with COALITION requirements; the extent to which key indicators of performance are being achieved; and to validate internal quality improvement systems and findings. The reviews will be conducted by a team that may include the COALITION's Contract monitoring staff, staff from DEL, staff members who are providing similar services in other areas of the state, and staff from other funding agencies who have received training in the COALITION's monitoring process. The review process may include a staff survey and interviews with staff. The CONTRACTOR shall fully cooperate with these reviews.

The CONTRACTOR shall request technical assistance from the COALITION when deemed necessary to facilitate compliance with these authorities. Invoicing and payment of Invoices

- A. This Contract will be a fixed rate Contract, not to exceed XXXXXXXXXX USD for all services performed within the scope of this Contract. In the event that the COALITION provides prior written approval for any additional services to be performed outside of the scope of this Contract, those additional services will be invoiced on an ad-hoc basis and any payments for additional services shall not contribute toward the fixed price Contract maximum of XXXXXXXXXXUSD.
- B. The CONTRACTOR shall submit a COALITION-approved invoice form to the Coalition on a monthly basis. Invoices must be submitted to the Coalition by the 15th of the month following the month that services were provided. The COALITION will approve the invoice for supporting documentation.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

This certification is required by the regulations implementing the Drug-Free Workplace Act of 1988, 45 CFR Part 76, Subpart, F. Sections 76.630(c) and (d)(2) and 76.645(a)(l) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and for notification of criminal drug convictions. For the Department of Health and Human Services, the central point is Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW Washington, DC 20201.

Certification Regarding Drug-Free Workplace Requirements (Instructions for Certification)

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.
2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. For grantees other than individuals, Alternate I applies.
4. For grantees who are individuals, Alternate II applies.
5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).
8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free

Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

Employee means the employee of a grantee directly engaged in the performance of work under a grant, including, (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Certification Regarding Drug-Free Workplace Requirements

Alternate I. (Grantees Other Than Individuals)

The grantee certifies that it will or will continue to provide a drug-free workplace by:

Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted --
 - 1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - 2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

The Pro-Children Act of 2001, 42 U.S.C. 7181 through 7184, imposes restrictions on smoking in facilities where Federally funded children's services are provided. HHS grants are subject to these requirements only if they meet the Act's specified coverage. The Act specifies that smoking is prohibited in any indoor facility (owned, leased, or contracted for) used for the routine or regular provision of kindergarten, elementary, or secondary education or library services to children under the age of 18. In addition, smoking is prohibited in any indoor facility or portion of a facility (owned, leased, or contracted for) used for the routine or regular provision of federally funded health care, day care, or early childhood development, including Head Start services to children under the age of 18. The statutory prohibition also applies if such facilities are constructed, operated, or maintained with Federal funds. The statute does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, portions of facilities used for inpatient drug or alcohol treatment, or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 per violation and/or the imposition of an administrative compliance order on the responsible entity.
